WELCOME TO THE COUNSELING AND DIAGNOSTIC CENTER OF WOODFIELD, LTD. (CDCW)

At the Counseling and Diagnostic Center of Woodfield, Ltd. (CDCW), we believe that mental health care should be professional, compassionate, and collaborative—with a dash of humanity that makes each client feel seen and supported. As an outpatient mental health practice, we specialize in working with clients across the lifespan to provide evidence-based care in a safe and welcoming environment.

We understand that mental health care works best when referral partners are included in the process. That's why we prioritize collaboration with school psychologists, physicians, and other clinicians, ensuring clear communication and coordinated care. Together, we can make a real difference in the lives of the clients you serve.

This marketing folder offers a glimpse into who we are, what we do, and how we work:
